The BLC should be your partner of choice in business profitability and sustainability by providing ultimate solutions to improving your BBBEE score-cards rating.

The BLC’s unique proven approach ensures total BBBEE satisfaction – hassle and stress free!! We take care of your ED and SED for you!

What is a BBBEE scorecard? It is a verified report / “snapshot” of your current status as a Black Economic Empowerment (BEE) contributor, according to prescribed elements as per the Codes of Good Practice and the various Gazetted Sector Codes.

What does it mean to have a high BBBEE score-card rating? According to the Department of Trade Website www.dti.gov.za “The fundamental objective of the Act is to advance economic transformation and enhance the economic participation of black people in the South African economy”

- Extra points where bidding/tendering is necessary
- Good BBBEE Rating = **Preferred Supplier (providing company with more preferential procurement points)** = Increased Turnover
- Skills development by continuously focusing on training and educating employees
- Competitive edge and opportunity for all to take part in the economy – level playing field
- Improved Customer relations

It’s more than just talk! We believe in executing capacity building and building of win-win partnerships....
